| | 225 SAND/SALT STORAGE
Sand and salt storage. |

CONCEPT:
Schoodic Education and Research Center (SERC)
is managed by a nonprofit organization under which
many organizations advance the mission of Acadia
National Park and share management responsibilities.

BUILDINGS:
Reuse most buildings. Revenues generated by
programs offset most operational costs.

PARTNERSHIP:
Nonprofit assists NPS to manage SERC campus and programs.

PROJECTED USE LEVELS 2010-15:
350 SERC program participants per day.
190 overnight accomodations.
Schoodic District annual recreation visits 290,000.
